

St. Aloysius Stewardship Meeting Minutes
Hospitality
Thursday, November 13, 2008
6:00-7:00 p.m.

Present: Della Ryan, Sandy Wasilewski, Marian Thistle, Earl Vanderheiden, Ann Black, Margaret Nelson, Bob McGilligan.

Coordinator will be Margaret Nelson. Also, we decided to coordinate things together as they come up and work together as a group. As the group gets larger and depending on the project we will assign subcommittee members.

We started where we left off from our last meeting deciding on items to work on first. We decided to start a Welcoming Packet. Sandy W. is going to work on a brochure explaining our parish and all that we have to offer. We will have a Welcome Basket put together for the new people that will include the brochure, a rosary, prayer cards and a candle. Fr. Jared will contact the new parishioners to introduce himself. One of us on the committee will contact the new parishioners to find a convenient time to drop off the Welcome Basket.

We talked about updating the list of Greeters. Marian Thistle is going to call Linda Peoples who takes care of the greeter sign up and check on who is on the list and who we could add. Marian was also going to check on possibly starting a Greeter meeting before mass and invite anyone that would like to join.

Donut Sunday was talked about briefly. Joyce Schoepp is the contact person for this. She has been doing this for about 5 months now. Anyone wanting to help out can contact Joyce at 643-3599.

We also talked about the ushers. We would like to see a list so that we can invite new members to sign up if they would like. Margaret will check into this.

Finally, we decided our next meeting will not be until after the holidays. The date will be Thursday, January 8th at 6:30 p.m.
