

St Aloysius Stewardship Meeting
Development & Fundraising
Jan 22,2009 6pm

Present: Juanita Loether, Della Ryan, Mary Breunig. Sandra & Tom Sliter, John Brennan, Amy Jorgenson, Joan Breunig, Kay Ringelstetter, Margaret Nelson and Catherine Lins.

Meeting started with a prayer.

Catherine had us start a calendar, a page for each month of the year on a table and we filled in all the activities that we currently have scheduled. That included all groups and also church collections that come up during the year, such as Diocesan Services Appeal.

We discussed past events, who chaired them, what worked & what didn't (festival, plant sale, etc)

We talked about setting goals, finding out what dollar amount is needed by who & for what and plan events accordingly.

We need to remind parish members of what we save/collect and where they can bring them.

Margaret let us know of some UW concessions dates that are available, 2/26-2/28 and 3/19-3/21. We will try to fill as many as we can since these will be busy events and a good source of funds.

We talked about a get-together with financial planner & lawyers on estate planning, stocks, wills, etc. and how to relay that info to parishioners. Maybe have a presentation at some point for people to attend.

Noted that Home & School sets a goal to raise \$15-\$18,000 each year. They are looking at doing a garage sale day this year.

Chili Cook off is next event coming up Sunday to start off Catholic Schools Week.
