From the Pastor's Desk...

After our short summer, we're back to "normal" weather for this time of year... and even a bit cool for July. So, many have gone on vacation, and there are some who have yet to go. I myself will be disappearing during the month of August. I will head to Spain with the three newly ordained priests (after July 31st), and will come back on the 4th of September. I will be spending time at our mother house, spending time with the priests of our Order who are back in Spain, as well as with the young men who are studying at the university, and discerning their vocation to the priesthood.

As you are on vacation, I hope you have a wonderful time. The only way to have a truly wonderful time is by keeping God in everything we do; so even though we take vacation from the daily routine, God is more than just part of the routine. We can never take a vacation from our Best Friend who loves us so. That would be too severe a punishment to inflict on Him.

I want to ask for your prayers for the success of the beginning of the middle school here at the parish. We are working with the Diocese to finish the paperwork to get everything operational, and hopefully in the near future we can get more information out about it, and begin enrollment. The consecrated women who have arrived already are very excited about this new project. Keep your eyes open for the date when we will have a reception for the consecrated women. Please make time to come and meet them, and help us to make them feel at home here in Wisconsin.

Have a wonderful two weeks, and God bless you,

Fr. Jared

HOPING FOR SMALLER CLASS SIZES?

Then consider St. Aloysius School. Compare our projected class sizes for the 2009/2010 school year against the larger class sizes in public schools:

Kindergarten – 12 1st Grade – 18 2nd Grade – 9
3rd Grade – 9 4th Grade – 14 5th Grade – 13

St. Aloysius School is fully accredited by the Wisconsin Religious and Independent Schools Accrediting Association. Our students have an excellent history of academic success through high school and beyond. Religion classes, including First Reconciliation and First Communion preparation, are taught by the priests and faith-filled teachers; Super Kids reading program is used in Kindergarten & 1st grade; Spanish classes are taught twice a week; a healthy National School Lunch is cooked on-site; we have bus service from Sauk Prairie School District; our Christmas and Spring concerts are focused on Jesus; library, computer, physical education, music and art are taught by devoted state-licensed teachers, as are all of our regular academic courses. Call the school at 643-6868 for more information, to schedule an appointment to visit us or to have registration materials sent to you. Don't be afraid to be sold on a great school!

The school gym/kitchen will be open before Mass for those who have dishes that need to stay cold or stay heated. Tableware and beverages will be provided. Children's games and activities will be offered in and around the pavilion during the raffle drawing.

Please return your raffle ticket stubs and money to the office or drop them in the collection beforehand, or bring them with you that night. Questions? Please contact Joan Breunig at 608-643-6913 or Cathy Lins at 608-643-3563.

THE GREAT ADVENTURE RETURNS!

The Great Adventure Bible Study by Jeff Cavins will be returning to St. Aloysius in September. This time Teresa Evans will facilitate the 24-part "*Bible Timeline: The Story of Salvation*", using the same format that was used in the previous study: DVD, group discussion and individual reading.

This study makes reading the bible easy and exciting and is basic enough to suit those who haven't ever studied the bible, while at the same time offering ways to challenge the bible study veteran. Although the 8-week study provides a good introduction, it is not required before this 24-week study. Come learn the riches of the incredible story of salvation history - God's glorious plan for leading His people to an intimate relationship with Him! For more details, see their website at <http://www.greatadventureonline.com>

Classes will meet on Monday evenings, September 14 thru May 3, 6:30-8 PM, in the school gym, with breaks for holidays and Lent. Attending all the classes is not required, as each class is a bible study within itself. Cost for student workbooks/supplies is \$50, or \$40 for orders received by July 27. Books can be shared and scholarships will be available. Please call the parish office at 643-2449 to register. Final order deadline is August 24.

COW CHIP SIGN-UP COMING SOON

St. Al's will be having a Mexican food booth at Cow Chip again this year. It's easy and fun to help in the booth, and shifts are just 2 hours long. Sign up sheets will be coming soon.
